ABS CONSULTANTS

(Auditors & Business Solutions Consultants)

Mr. Reginald
Managing Partner

Mwinshehe Said Kibao
Senior Partner

ABS Consultants started in 2004 with its base in Dar es Salaam, East Africa as an auditing firm with business registration number 145098.

ABS Consultants has been working to support both public sector and private clients in order to enhance public trust. It is a stronger and focused audit firm due to its team of professionals. To accomplish its objectives the firm area of expertise includes;

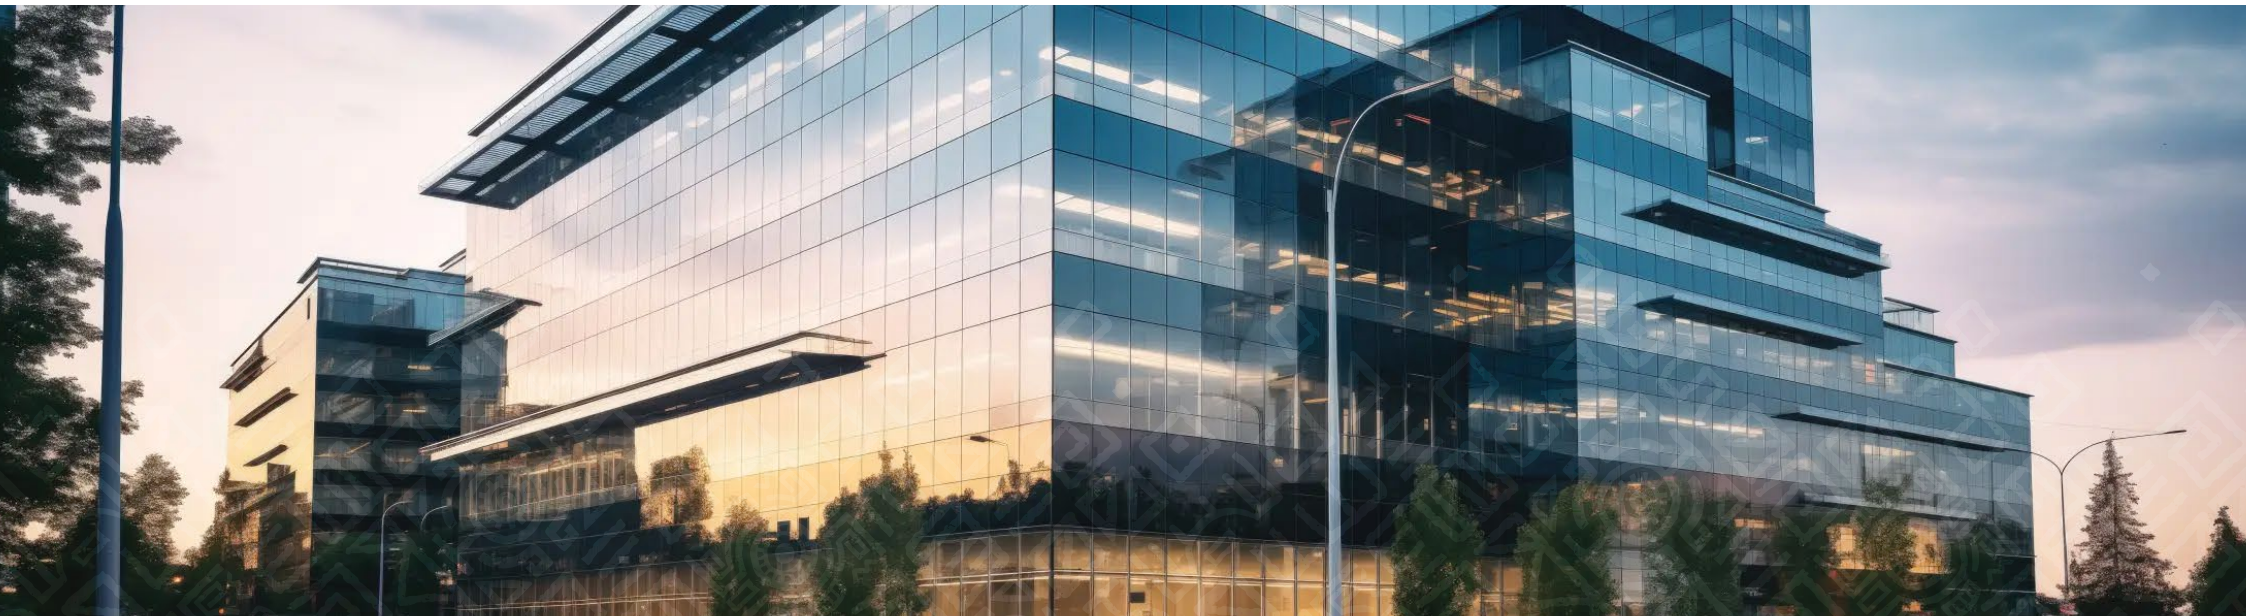

01 Audit and assurance services

02 Human resources

03 Taxation services

05 Consulting and deals services

05 Accounting and Regulatory reporting Service

Our Services

Registration and affiliation

We are legally registered and affiliated to the following organizations;

The National Board of Accountants and Auditors- Tanzania- practice license

Tanzania Revenue Authority- registered Tax Consultants

The National Audit Office- short listed to conduct audits on behalf of CAG

1

Audit and Assurance Services

Statutory audits
Special purpose audits
Project and public sector audits
Special reviews and investigations

2

Taxation Services

VAT refund audits.
Tax health check reviews.
Corporation Tax Compliance review.
Indirect Tax and Direct Tax specific trainings.

3

Accounting and Regulatory Reporting Services

Payroll processing
Financial systems review and appraisal
Budgets and Cash Management
Preparation of Financial Regulations and Accounting Manuals
Preparation of books of accounts and financial statements
Training on accounting standards and practice

4

Human Resources

Salary reviews and survey
Change management
Recruitment services
Human Resources policies and procedures
Organization structure design and review
Job Analysis, evaluation and grading

5

Risk Advisory Services

Compliance Reviews- determine the degree of adherence to laws, policies and procedures
Financial Reviews- evaluate the accounting and reporting of financial transactions
Operational reviews- examine operating information and the means used to identify, measure, classify, and report such information, review the means for safeguarding assets; ascertain if results are consistent with management's objectives and goals and if the operations are being carried out as planned; appraise the economy and efficiency with which resources are utilized; and review systems and procedures in place to ensure compliance with laws and regulations

6

Fund Management

ABS Manage funds on behalf of clients to ensure that the funds are spent on the planned activities and per agreed budget and terms of the agreement. In addition, we ensure proper financial management and reporting procedures are being followed.

7

Monitoring and Evaluation

Monitoring enables assessment of actual vis-à-vis the established milestones or work schedule of a program on an ongoing basis. It generates immediate and tangible feedback. Evaluation on the other hand questions the validity of the project design- its objectives, efficiency, relevance, effectiveness and sustainability. It focuses on quality and results

8

Valuation Services

Share valuation, Economic profit, business restructuring, sourcing of finance, due diligence investigations management buy-outs, Feasibility studies, strategic plans and business plans, Investment appraisal and Financial Modeling.

9

Privatization and PPPs

Policy analysis, divestiture, action plans, options analysis, structuring and implementation, pre-privatization analysis, sector analysis, policy and regulatory assessment, privatization strategy and options and local institutional capacity strengthening.

10

Impact Assessment

Impact Assessment reviews whether the organization's service delivery and supply of goods and services has improved as a result of set criteria (or changes introduced), and by what magnitude. Impact is assessed in a variety of stakeholders and can take any shape, approaches and key issues to access depending on the nature of the candidate client organization.

11

Public Floatation:

Lead Advisors, profit forecast reviews, drafting prospectors and accountants' reports.

Corporate Recovery

- Operational restructuring
- Leader assistance
- Credit risk and securities reviews
- Exit strategies
- Business revitalization.

We provide independent advice on the full spectrum of recovery and restructuring issues. Our consultants have in-depth knowledge of the laws governing insolvency matters.

- Receivership
- Bankruptcy, liquidation and winding-up services
- Formal & Informal reorganization and debt restructuring
- Independent business reviews
- Compliance reporting and Financial Monitoring

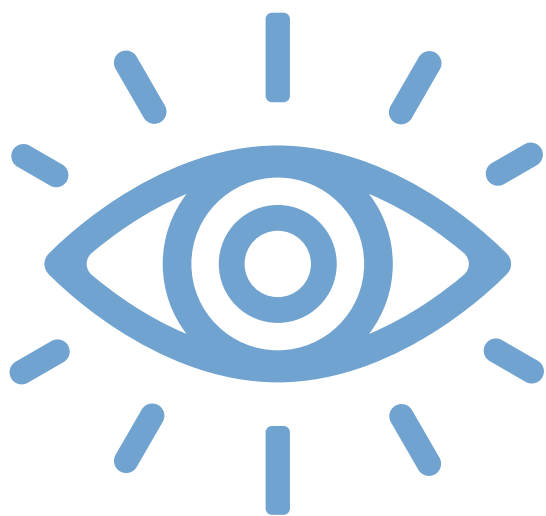

A person in a dark suit is holding a magnifying glass over a smartphone. The word "WHY" is superimposed in large white letters over the phone. Numerous question marks are floating in the air around the person and the phone, creating a sense of inquiry and investigation.

WHY

Why choose us?

We demonstrate competence through our professionalism, the quality of our output, and our commitment to handling every assignment with a sense of urgency to meet all deadlines.

ABS Consultants, aim to deliver more than what our clients expect and take pride in creating a personalized, distinctive and meaningful service experience.

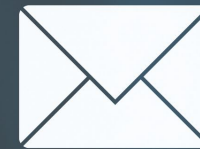

OUR MISSION

Our mission is to serve with unwavering integrity, consistently delivering services that add tangible value to our clients' enterprises. We are committed to upholding the highest ethical standards while offering solutions that not only meet but exceed client expectations. Our focus is on enhancing business performance, ensuring that every service we provide contributes to the growth, efficiency, and success of our clients' organizations

OUR VISION

To be a Preferred Professional Audit Firm, a firm must seamlessly integrate related services such as taxation, consulting, and risk management with its audits. By offering comprehensive, tailored solutions and leveraging technology, the firm can provide strategic insights that drive growth and build lasting client relationships based on trust and excellence.
